Bandhan Focused Equity Fund[§]

An open ended equity scheme investing in maximum 30 stocks with multi cap focus
(Formerly known as IDFC Focused Equity Fund)

Bandhan Focused Equity Fund is a concentrated portfolio of up to 30 stocks with the flexibility to invest across sectors and across market cap.

FUND PHILOSOPHY

Bandhan Focused Equity Fund is an equity oriented fund investing across the market cap curve. It holds a concentrated portfolio comprising of a mix of core and tactical ideas limited to a maximum of 30 stocks. The core portfolio of the fund primarily invests in businesses that are growth oriented and have superior quality characteristics. The tactical part of the portfolio largely comprises of businesses that have the potential to turnaround driven by change in internal/external environment.

Under the SEBI scheme classification, Bandhan Focused Equity Fund is categorized under "Focused" Funds. At an industry level, while these funds are classified as "Focused", their market cap orientation is not defined clearly and by this nature they are also "Multi-Cap".

OUTLOOK

How it went:

Global equities rebound, in September, across geographies relative to the previous month (MSCI World 1% MoM / +11.6% CYTD). India delivered 0.9% MoM returns (+5.3% FYTD), outperforming the Emerging markets, which declined -0.9% MoM (+2.5% FYTD). All three indices – Large, Mid and Smallcap – were positive for September 2023. However, the markets felt nervous given the macro headwinds – high oil prices, global dollar appreciation, long-term term yields in the US, and forthcoming state elections.

How do we look ahead:

Given the high fiscal deficit, the supply of US bonds is proving to be challenging as two big buyers in recent times – the Fed and foreign countries (China, Saudi, etc) are not adding incrementally. On the other hand, the domestic economy indicators continue to display reasonable momentum with capex and affluent consumption being the relatively strong pockets. Our portfolios are broadly positioned to ride the domestic economy, but we need to monitor the risks of adverse global developments on the domestic economy along with political developments ahead.

[§]With effect from 13th March 2023, the name of "IDFC Focused Equity Fund" has changed to "Bandhan Focused Equity Fund"

Face Value per Unit (in ₹) is 10
